100,000!!

That's right! VFW Post 5290 has committed to assembling 100,000 Buddy Poppies to help other Posts throughout the State of Georgia.

The wire stems, the beautiful red silk flowers, and the Buddy Poppy labels have been received. Now, all we need to do is assemble them for Veterans' Day gifts to the public.

Your help is needed for a fun and challenging effort that will benefit Veterans and provide support to other Posts throughout the State of Georgia that will not receive Buddy Poppies without this effort!

Call us immediately and find out how you can help!
