Assemble 100,000 Buddy Poppies in 60 days!!

That was the challenge accepted by VFW Post 5290. Our Buddy Poppy supplier was impacted by the CV-19 pandemic but offered us the materials to make the Buddy Poppies ourselves.

We received the materials the week of October 12 and immediately began forming teams of any help we could find. Volunteers recruited others and we quickly became Buddy Poppy producers *extraordinaire!!*

What was initially thought of as an impossible feat has fast become a community-wide act of patriotism. Members and friends of Post 5290 will be providing Buddy Poppies for Posts all over Georgia, and thus, the ability to help Veterans in the communities they represent.

If you are interested in helping in this effort, please stop by VFW Post 5290 at 1432 VFW Drive, Conyers, GA 30012 or call us at 770.483.7443 and give us an hour or two of your time.
